

Tarp(s) Cleaning Project Final Report

Project Completed 02/06/22
Report Approved by Alberto Amezcua

All Tarps Associated with Line 2 Cleaned, as per Job Walk

**Before
Tarps with all sorts of debris**

**After
Typical results for all tarps**

Before
Tarps with all sorts of debris

After
Typical results for all tarps

Before
Tarps with all sorts of debris

After
Typical results for all tarps

Notes: All tarps found with different levels of debris. We recommend that tarps be cleaned more often.
